Re: Shelley Cohen

Shelley's voice coaching skills enabled me to learn how to breathe, to connect my breath to my voice and how to produce a richer, more powerful tone in my voice. This was noticeable within the first two weeks of working with her. My wife and colleagues noticed and commented on the resonance in my voice. This made me realize that the exercises Shelley gave me worked because she could zero in on my issues and address them effectively! I highly recommend her as a voice coach.

Yours very truly,

The Honourable Mr. Justice Stanley J. Kershman
